

Making Life Beautiful!

A Joint Venture with Lantern Science (Stock Code: 831118)

California, USA & China & Vietnam & Thailand

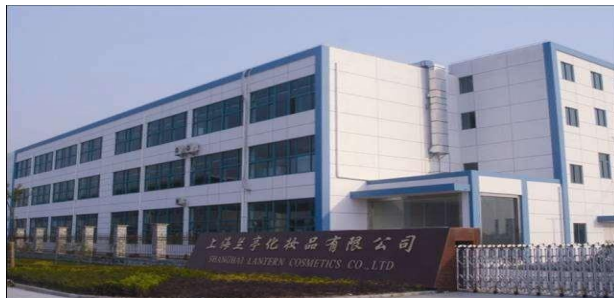

<https://beautifierlife.com/>

Beautifier is a comprehensive research, manufacturing and distribution enterprise specializing in use of high-quality ingredients, herbal plant extracts and natural cosmetics for personal care & health.

ABOUT US

Beautifier LLC is a joint venture of Lantern Science (Stock Code: 831118) dedicated to developing, manufacturing and distributing quality consumer based personal care products. As a company, we are committed to a higher calling of excellence and dedicated to quality, supply and support. Since its founding in 1993, Beautifier, has grown to become the leading manufacturer of Health and Personal Care products in the world. We remain competitive in the industry because of our continued commitment to satisfying our customer's versatile needs.

We are dedicated to ensuring that we provide high quality ingredients that adapt to your ever-changing needs. We have established a global manufacturing network located in China, Vietnam and Thailand.

The Beautifier methodology includes the complete adoption of the GMP regulations in the production of its products while complying with the United States Food & Drug Administration (US FDA), Health Canada, and the European standards and the Chinese government's regulatory standard requirements.

GMP Audited, ISO Certified Manufacturing Facilities
